Covered Call Strategy:

When the Fund sells a covered call (also known as writing a covered call), it would mean that the Fund would already be owning shares of the underlying stock and is selling a call which grants the buyer right, but not the obligation, to buy that stock at a set price until the option expires. The Fund would earn income known as option price or value (commonly known as the option premium) premium. An option's premium is based on several factors, like time value, intrinsic value, and implied volatility etc.

Illustration:

The Scheme owns 100 shares of Company A. Current Market Price (**CMP**) is Rs.50/- per share. The Scheme writes a covered call with a strike price of Rs.55/- and receives a premium of Rs.2.50 per share. Thus, the total premium received for selling the call option is Rs.250 (Rs.2.5*100 lot size). The call has an expiration date of 3 months.

On the day of expiration of options contract:

Scenario 1: The market price of Company A is below Rs.55/-, the Scheme keeps the premium (Rs.250/-) and also the stock as the buyer would let the call expire as CMP is lower than the strike price.

Scenario 2: The market price of Company A moves above Rs.55/-, the buyer would exercise the option and the Scheme will have to deliver the underlying stock to settle this obligation. The Scheme will get the strike price (Rs.5500/-) plus the premium (Rs.250/-).

Benefits:

The key benefit of writing a covered call option is to generate additional income (i.e. the proceeds of the options sale or option premium) on a stock already owned by the Fund. This enhances returns on a security that, in the fund manager's view, is not expected to move in the short-term. It can also be used as used as an exit strategy for a long position.

Risk:

Incorrectly pricing the option premium before writing the covered call by ignoring factors which determine pricing like number of days to expiry, adjustment with respect to announced corporate actions like dividend etc.

Other features and terms & conditions of the Scheme such as the Investment Objective, Investment Strategy etc. shall remain unchanged.

The above changes are tantamount to changes in fundamental attributes of the Scheme and have accordingly been approved by the respective Board of Directors of the HDFC Asset Management Company Limited ("**AMC**") and the Trustee to the Fund. The Securities and Exchange Board of India ("**SEBI**") has also vide its communication dated December 21, 2020 noted the changes in fundamental attributes of the Scheme.

As per Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996 ("**MF Regulations**"), changes in fundamental attributes can be carried out only after the Unit holders of the Scheme have been informed of the change via written communication and an option to exit the Scheme at the prevailing NAV without any exit load is provided to them ("**Exit Option**").

Thus, in accordance with the MF Regulations, existing Unit holders of the Scheme i.e. those Unit holders / investors whose valid applications have been received by the Fund till 3:00 p.m. on December 23, 2020, are provided with an option to exit at the prevailing NAV without any exit load, for a period of 30 (thirty) days from **December 30, 2020 to January 28, 2021** (upto 3:00 p.m. on January 28, 2021) (both days inclusive) ("**Exit Option Period**"), if they do not wish to stay invested in the Scheme pursuant to the aforesaid changes.

The Exit Option can be exercised during the Exit Option Period by submitting redemption / switch-out request at any of the Official Point(s) of Acceptance of the Fund including online transacting facilities such as HDFCMFOnline / HDFCMFMobile. For list of Official Points of Acceptance, please visit our website www.hdfcfund.com. A written communication in this behalf is also being sent to existing Unit holders via email on registered email id / letter. In case any existing Unit holder does not receive the same, they are advised to contact any of the Investor Service Centres of the AMC.

Unit holders should procure a release of their pledges / vacate the lien prior to applying for redemption / switch-out during the Exit Option Period. In case units have been frozen / locked pursuant to an order of a government authority or a court, such Exit Option can be exercised only after the freeze / lock order is vacated / revoked within the period specified above.

Unit holders should ensure that any change in address or bank mandate are updated in the Fund's records before exercising the Exit Option. Unit holders holding Units in dematerialized form may approach their Depository Participant for such changes.

The redemption proceeds (net of applicable taxes, if any) will be remitted / dispatched to the Unit holders within 10 (ten) working days from the date of receipt of the redemption request.

Securities Transaction Tax (STT) on redemption / switch-out of units, if any, exercised during the Exit Option Period shall be borne by HDFC AMC. Redemption / Switch-out by the Unit holders due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. **In view of the individual nature of financial and tax implications, each Unit holder is advised to consult his or her own tax advisors / financial advisors.**

Unit holders who have registered for systematic investment / transfer facilities into the Scheme but do not wish to continue their future investment into the Scheme, must apply for cancellation of their systematic investment / transfer facilities registrations.

Unit holders may note that no action is required in case they are in agreement with the aforesaid changes, which shall be deemed as consent being given by the Unit holders for the proposed changes. **This offer to exit is merely an option and not compulsory.** We would like the Unit holders to remain invested in the Scheme.
