Subject: RACL Announces Operational Readiness of New Manufacturing facility for BMW Electric Car Parking Lock Mechanism

Dear Sir/Madam,

In continuation of our intimations given earlier to the esteemed exchanges, the Company would like to further inform about the operational readiness for dedicated facility for manufacturing of Parking lock actuation assembly for BMW electric cars at our manufacturing location at Gajraula. Trial production has been accomplished & Pre-series production has been started. New facility shall be officially inaugurated by the Senior Management Personnel from BMW on 13th February 2025. Key highlights of the facility are as follows:

- **100% Green Electricity:** The plant operates entirely on renewable energy, reinforcing RACL Geartech Limited's focus on sustainability.
- **Contamination-Free Manufacturing:** Fully air-conditioned premises ensure a clean and controlled environment, critical for precision-oriented production.
- **State-of-the-Art Assembly Stations:** Modern assembly tables are equipped to provide end-to-end traceability, meeting BMW's stringent quality and compliance standards.

Further updates shall be informed to the Exchange in due course of time.

Enclosed: photographs of the plant for reference.

Thanking You,

For RACL Geartech Limited

Neha Bahal
